ADOPTION OF AGENDA

Ms. Stokes made a motion seconded by Mr. Witt to accept the agenda as written. All in favor; none opposed; motion passed.

Discussion ensued in reference to making S. Layton Avenue between Camden Wyoming Avenue and Southern Boulevard and Pine Street into one way streets traveling north and south respectively. Chief Willey drew a diagram on the board explaining how S. Layton Ave. is too narrow to allow for a car parked on the side and two cars passing each other in the same section of the street. There is not enough room. The Town has also had a large number of accidents at the Layton Avenue/Southern Boulevard intersection due to the curve in Southern Boulevard making visibility difficult. This change to one way north would alleviate both issues. Chief Willey stated there have

been accidents at the intersections of S. Layton/Camden Wyoming Ave and Pine/Southern Boulevard which should be alleviated with this change. It should also slow down traffic.

Questions were asked regarding these changes, as to which side of the street would parking be allowed, alternative ways to get to the bank, Witt Brothers parking, and difficulty making left hand turns from S. Layton onto Camden Wyoming Ave.

Mayor Rife explained the process and that nothing will happen right away. After the Town passes the resolution, it will be sent to Del Dot for approval.
